What Do I Do If I Am Feeling Sick?

If you are feeling under the weather the coordinator team at The Lakeside Village has some tips for you:

- Call Lynn at 641-757-2928 to report any illness you may be experiencing. She will notify your doctor to get their input about how to treat you. If you need immediate help use your emergency pendant to summon Resident Assistant staff.
- The Resident Assistant staff will notify the kitchen to bring you room service for breakfast, lunch, and dinner. If you wish to have soup, broth, or just fluids please notify staff when they are in your room or call 641-757-9800 to speak to Marla.
- In order to protect your friends and neighbors residents **MUST** stay in their room until they are symptom free for 48 hours.
- Please **WASH YOUR HANDS** before and after you leave your apartment and after you go to the restroom. This is the most important way that you can help stop illnesses from spreading.
